The Hellenic Mediterranean University

ATHENA

11 Undergraduate Program Studies	15 Postgraduate Program Studies
20.615 Undergraduate Students	816 Postgraduate Students
1050 Graduates/year	90 Postgraduates/year
165 Academic staff	159 Admin. and Technical staff

School of Engineering

Energy Systems / Grid Systems and Management
Renewable Energy Sources
Control Systems and Robotics
Advanced Materials / Nanomaterials for Energy and Environmental
Applications / Graphene
Informatics / Multimedia
Internet of Things
Telecommunication Networks / Antennas
Laser and Optoelectronics / Plasma Applications / Electronics
Geophysics / Seismology / Geology / Geoinformatics

School of Agricultural Sciences

Biotechnology
Plant Protection / Ecotoxicology
Olive Production Systems
Climate Change
Management of Natural Resources / Environment / Waste and
Wastewater Management

School of Health Sciences

Social Work

Human Health

Road Safety

Advanced Clinical Practice

Food Technology

Nutrition / Dietology

School of Management and Economic Sciences

Economics / Accounting / Finance

Management

Data Analysis / Modeling

Tourism / Entrepreneurship

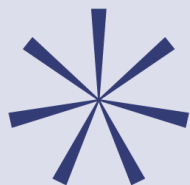

School of Music and Optoacoustic Technologies

Music Technology and Informatics

Room and Structural Acoustics

Environmental Acoustics

Ultrasounds and Applications

Lessons provided in English

The International Relations Office IRO-Academy is the Academic Part of the Office:

1. Offers Modules in English with scientific and cultural research topics to all Erasmus students.
2. Runs colloquial talks in English within the framework of Sci-Café Action, with contributions from HMU scientists but also from scientists from our International Network in technological and cultural research topics. The Talks are appropriate for general audience (students and academics).
3. The modules currently offered in the autumn semester from the IRO-Academy are:

Soft and Research Skills Development (5 ECTS)
Associate Prof. K. Petridis, Academic Director of IRO, HMU

Introduction to Research Methods (5 ECTS)
Assistant Professor George Kritsotakis

An Introduction to the History of Crete & Hellas (3 ECTS)
Dr. Gareth Owens - IRO-Academy, HMU

Modern Greek (A1/A2) (2 ECTS)
Dr. Gareth Owens - IRO-Academy, HMU

English for Academic Purposes (C1/C2) (2 ECTS)
Dr. Gareth Owens - IRO-Academy, HMU

An Introduction to Philosophy, Past, Present, & Future (3 ECTS)
Dr. Gareth Owens - IRO-Academy, HMU

Project Management (5ECTS)
Dr. Tomaj Aljaz , FINI University Slovenia "ATHENA"
